Walk-in and wait clinics - slots are allocated on a first come first served basis. When clinics reach full capacity people are triaged. Those who fit our 'urgent criteria' take priority.

Pre-booked appointments - we aim to see everyone within 30 minutes of their appointment time. Please arrive **10 minutes** prior to your confirmed slot. If you are late we may have to rebook you. **Please note coils and implants (LARC) are by appointment only.**

You don't always need to come into clinic...

Telephone consultations

Need advice or reassurance? Got a question and are unsure of whether you need to come into clinic? Book a telephone consultation online with one of our nurses.

Postal STI test kits - free and easy to use

No symptoms and just want to get an STI check-up?

If you are aged 16 and over you can request a free postal test kit online and take the samples yourself from home.

Community pharmacies and GPs

Over 60 pharmacies across Wirral offer free emergency contraception 7 days a week, including evenings. We have also partnered up with a number of GP surgeries who now offer coils and implants (LARC) - visit our website to find your nearest pharmacy or GP surgery.
