

# STAY SAFE, STAY INFORMED

HIV / STI testing and  
prevention on the Wirral

**Sahir** +  
WELL+PROUD

# We're here to help!

Take control of your sexual health with our friendly, discreet, and inclusive services on the Wirral provided by Sahir in collaboration with Wirral Ways (CGL).

Whether you need a quick HIV test, STI screening, or advice on staying safe, we're here to support you every step of the way, ensuring you feel taken care of no matter what.

## Our Services Include:

### Confidential HIV Testing

Quick, discreet, and accurate results in less than 20 minutes.

### STI Testing

Get tested for Gonorrhoea, Chlamydia, and Syphilis with results in just a few days.

### Free Safer Sex Packs

Includes condoms, lube, and essential information to keep you and your partner(s) safe.

### Expert Advice and Support

Guidance on maintaining a healthy sex life, with connections to NHS sexual and reproductive health services.

### Broader Health and Well-being Guidance

We offer signposting, information, and advice to support your overall health.

## Where To Find Us:

### Weekly Clinics

Held in discreet, welcoming spaces across the Wirral.

### Pop-Up Sessions

Look out for our pop-up testing and information sessions in community spaces and partner venues.

### Stay Updated:

For the latest schedule of clinics and pop-up sessions, visit our website.

### Request Safer Sex Supplies:

Order online, visit our clinics, or call us to get your safer sex packs.

### Our Friends At Wirral Sexual Health:

For those who prefer or are able to access mainstream services, Wirral Sexual Health offers free and confidential contraception and sexual health services. See website for details.
